## **HUB PLASTICS ACQUIRES QUALITY SERVICE PRODUCTS**

Hub Plastics is pleased to announce that it has acquired Quality Service Products of Columbus, Ohio. Founded in 1978, QSP is a manufacturer of HDPE bottles featuring a unique array of stock molds that add to Hub's already impressive catalog of stock products. QSP's products can be seen [here](#). Like Hub, QSP also has a long history of collaborating with its customers on a range of unique custom projects.

Hub looks forward to working with QSP and company president Nelson "Animal" Jeck, Jr. on a smooth transition to the Hub family. We are honored that he has chosen Hub as the landing spot for his business as he prepares to retire after 44 years in the bottle blow molding industry.

Hub is pleased to welcome QSP's customers! You will be hearing from us separately on important details related to the transition.
